

# FALL 2020 York Soil & Water Conservation District

## THANK YOU TO OUR AFFILIATES

School is back in session, although it looks a little different this year the Conservation District staff is busy developing curriculum and educating students. The District's lessons on natural resources are correlated to state science standards, and thanks to technology we have been able to share applicable content with the teachers! Thank you to all the conservation supporters who have become affiliates this year or are renewing for 2020!!

Please show your support for the many educational programs in the District by becoming an affiliate, or renewing your affiliate membership today!!

Help us make a difference in conservation education — we can't do it without YOU!

Please clip the form below and send it along with your tax deductible gift to:

York Soil & Water Conservation District  
1460 E Alexander Love Hwy  
York, SC 29745
